Financial Aid

2017-2018 Unusual Enrollment History

The Lanier Technical College Financial Aid Office has received your 2017-2018 FAFSA, however, the U.S. Department of Education has selected your FAFSA for review due to your unusual enrollment history. An unusual enrollment history is described as having attended and received federal funds from multiple colleges/universities within the current review period of: 2013-2014, 2014-2015, 2015-2016, and 2016-2017. Lanier Technical College is required by the Department of Education to review your enrollment history at **all** colleges/universities that you have attended. Lanier Technical College will also review the National Student Loan Data System (NSLDS) to view a complete history of colleges/universities that you have previously attended and federal aid funds received.

Please note: No federal funds will be posted to your student account until this process has been completed and you are deemed eligible to receive federal student aid funds.
